Padme Amidala

★★★★★

DEC 2018

One morning, when Gregor Samsa wake from troubled dreams, he found himself transformed in his bed into a horrible vermin. He lay on his armour-like back, and if he lifted his head a little he could see his brown belly, slightly domed and divided by arches into stiff sections.

Luke Skywalker

★★★★☆

DEC 2018

The bedding was hardly able to cover it and seemed ready to slide off any moment. His many legs, pitifully thin compared with the size of the rest of him, waved about helplessly as he looked. "What's happen to me?" he thought it wasn't a dream.

Princess Lela

★★★★☆

DEC 2018

His room, a proper human room although a little too small, lay peacefully between its four familiar walls. A collection of textile samples lay spread out on the table.

Jabba Hut

★★★★★

DEC 2018

Samsa was a travelling salesman - and above it there hung a picture that he had recently cut out of an illustrated magazine and housed in a nice, gilded frame.
